

Federal Emergency Management Agency

§ 206.346

threatens life, land, and property immediately adjacent to that unit.

§ 206.345 Exceptions.

The following types of disaster assistance actions are exceptions to the prohibitions of § 206.344.

(a) After consultation with the Secretary of the Interior, the FEMA Regional Director may make disaster assistance available within the CBRS for:

(1) Replacement, reconstruction, or repair, but not the expansion, of publicly owned or publicly operated roads, structures, or facilities that are essential links in a larger network or system;

(2) Repair of any facility necessary for the exploration, extraction, or transportation of energy resources which activity can be carried out only on, in, or adjacent to coastal water areas because the use or facility requires access to the coastal water body; and

(3) Restoration of existing channel improvements and related structures, such as jetties, and including the disposal of dredge materials related to such improvements.

(b) After consultation with the Secretary of the Interior, the FEMA Regional Director may make disaster assistance available within the CBRS for the following types of actions, provided such assistance is consistent with the purposes of CBRA:

(1) Emergency actions essential to the saving of lives and the protection of property and the public health and safety, if such actions are performed pursuant to sections 402, 403, and 502 of the Stafford Act and are limited to actions that are necessary to alleviate the impacts of the event;

(2) Replacement, reconstruction, or repair, but not the expansion, of publicly owned or publicly operated roads, structures, or facilities, except as provided in § 206.347(c)(5);

(3) Repair of air and water navigation aids and devices, and of the access thereto;

(4) Repair of facilities for scientific research, including but not limited to aeronautical, atmospheric, space, geologic, marine, fish and wildlife and other research, development, and applications;

(5) Repair of facilities for the study, management, protection and enhancement of fish and wildlife resources and habitats, including but not limited to, acquisition of fish and wildlife habitats and related lands, stabilization projects for fish and wildlife habitats, and recreational projects; and

(6) Repair of nonstructural projects for shoreline stabilization that are designed to mimic, enhance, or restore natural stabilization systems.

§ 206.346 Applicability to disaster assistance.

(a) *Emergency assistance.* The Regional Director may approve assistance pursuant to sections 402, 403, or 502 of the Stafford Act, for emergency actions which are essential to the saving of lives and the protection of property and the public health and safety, are necessary to alleviate the emergency, and are in the public interest. Such actions include but are not limited to:

(1) Removal of debris from public property;

(2) Emergency protection measures to prevent loss of life, prevent damage to improved property and protect public health and safety;

(3) Emergency restoration of essential community services such as electricity, water or sewer;

(4) Provision of access to a private residence;

(5) Provision of emergency shelter by means of providing emergency repair of utilities, provision of heat in the season requiring heat, or provision of minimal cooking facilities;

(6) Relocation of individuals or property out of danger, such as moving a mobile home to an area outside of the CBRS (but disaster assistance funds may not be used to relocate facilities back into the CBRS);

(7) Home repairs to private owner-occupied primary residences to make them habitable;

(8) Housing eligible families in existing resources in the CBRS; and

(9) Mortgage and rental payment assistance.

(b) *Permanent restoration assistance.* Subject to the limitations set out below, the Regional Director may approve assistance for the repair, reconstruction, or replacement but not the

expansion of the following publicly owned or operated facilities and certain private nonprofit facilities.

- (1) Roads and bridges;
- (2) Drainage structures, dams, levees;
- (3) Buildings and equipment;
- (4) Utilities (gas, electricity, water, etc.); and
- (5) Park and recreational facilities.

§ 206.347 Requirements.

(a) *Location determination.* For each disaster assistance action which is proposed on the Atlantic or Gulf Coasts, the Regional Director shall:

(1) Review a proposed action's location to determine if the action is on or connected to the CBRS unit and thereby subject to these regulations. The appropriate Department of Interior map identifying units of the CBRS will be the basis of such determination. The CBRS units are also identified on FEMA Flood Insurance Maps (FIRM's) for the convenience of field personnel.

(2) If an action is determined not to be on or connected to a unit of the CBRS, no further requirements of these regulations needs to be met, and the action may be processed under other applicable disaster assistance regulations.

(3) If an action is determined to be on or connected to a unit of the CBRS, it is subject to the consultation and consistency requirements of CBRA as prescribed in §§ 206.348 and 206.349.

(b) *Emergency disaster assistance.* For each emergency disaster assistance action listed in § 206.346(a), the Regional Director shall perform the required consultation. CBRA requires that FEMA consult with the Secretary of the Interior before taking any action on a System unit. The purpose of such consultation is to solicit advice on whether the action is or is not one which is permitted by section 6 of CBRA and whether the action is or is not consistent with the purposes of CBRA as defined in section 1 of that statute.

(1) FEMA has conducted advance consultation with the Department of the Interior concerning such emergency actions. The result of the consultation is that the Secretary of the Interior through the Assistance Secretary for Fish and Wildlife and Parks has con-

curred that the emergency work listed in § 206.346(a) is consistent with the purposes of CBRA and may be approved by FEMA without additional consultation.

(2) *Notification.* As soon as practicable, the Regional Director will notify the designated Department of the Interior representative at the regional level of emergency projects that have been approved. Upon request from the Secretary of the Interior, the Associate Director, SLPS, or his or her designee will supply reports of all current emergency actions approved on CBRS units. Notification will contain the following information:

(i) Identification of the unit in the CBRS;

(ii) Description of work approved;

(iii) Amount of Federal funding; and

(iv) Additional measures required.

(c) *Permanent restoration assistance.* For each permanent restoration assistance action including but not limited to those listed in § 206.346(b), the Regional Director shall meet the requirements set out below.

(1) *Essential links.* For the repair or replacement of publicly owned or operated roads, structures or facilities which are essential links in a larger network or system:

(i) No facility may be expanded beyond its predisaster design.

(ii) Consultation in accordance with § 206.348 shall be accomplished.

(2) *Channel improvements.* For the repair of existing channels, related structures and the disposal of dredged materials:

(i) No channel or related structure may be repaired, reconstructed, or replaced unless funds were appropriated for the construction of such channel or structure before October 18, 1982;

(ii) Expansion of the facility beyond its predisaster design is not permitted;

(iii) Consultation in accordance with § 206.348 shall be accomplished.

(3) *Energy facilities.* For the repair of facilities necessary for the exploration, extraction or transportation of energy resources:

(i) No such facility may be repaired, reconstructed or replaced unless such function can be carried out only in, on,
